

CD / How far should US go to Jan Eger

~~3-5~~ cars ~~funnels~~ will be slaughtered - must follow up -

If widespread, good opportunity

Depends on chances success - must not lead on to destr.

Yugos as funnels -

But must be more spontaneously serious before we move - but if China were close to defeat - Sovs over-extended -

Believes in VFC -

Gen Smith for discussing how allies -

Success depends on concentration - everywhere - China is index -

D-Subvert C Army

any PSB to move as watch group on insurrection - ?

Asks if C has sources

Doubts Mao even a Jito

St - Eger, Pol, Cg - OK / Baltic - trouble in all areas - indig troops may rise -

FD - How confer to Sovs w/o giving moral sanction to Sovs & dry up resistance -

Everett never got to Cherny - Eckstein to Molot ??

1. Molot. worthy opponent -

Rhee act a wet fish in the face

St - Can we get arms to Eger

People unhappy - no need deal friendly to R - OK -

Must lay down what R must do - rebellious in all E

Do to OK - let get Sovs pull out, will pull out, then talk get E moving, Hoff had center

FD - Does Adenauer need new arms for police ?

St - Dep on pol showing fruit - must keep Eger going -

W - Rhee not too bad & will test whether Ch & Sovs want to -

N - test of Sov intent [as Eger must likewise test]

CD - Proof to Sovs of unreliability of their puppet armed forces -

Repudiate Rhee & release & ready to fight if we have to

St - Must keep embargo on Ch & ^{keep up pressure} everything getting ready to trade - will sabotage pol conf & Sec state - persuasion not likely to work

Keep OK punts until pol conf over - emphatic -

Most serious divide to whole West - & ally with R

~~CS~~ Berlin theme Joan go home - free elections
today pol paper - lets go over it ad hoc -

25X1X4 ☐ Ch wants Bermuda 6/29 -

→ Bryan Corp ??, see news of this AM
Z: Done - took too long get things done -
